Like the name suggests, DIRECTV lets you [add-on channels and streaming apps](#) tailored to your interests and what you want to watch. While DIRECTV’s everyday [streaming](#) packages already include more than 90+ channels, including Bravo, E!, ESPN, CNN and others, you can also add channels like HBO Max, Starz and Cinemax for must-see movies and buzzy series.

Sports fans, meanwhile, can add the seasonal sports subscription NBA League Pass Premium or DIRECTV Sports Pack for additional specialty sports networks (note: MLB Extra Innings and NHL Center Ice are only available to satellite customers).

You can also add genre-specific programming like Movies Extra Pack for romance and holiday films, which includes a subscription to Peacock Premium; Lifetime Movie Club for its popular [“ripped from the headlines” films](#); Revry for queer-themed programming; and UP Faith & Family, a

leader in “ad-free, faith-affirming and family-friendly entertainment.”
