Under the agreement, DirecTV subscribers can now sign into Fox Now — which is available on Fox.com, mobile devices and over-the-top boxes such as Apple TV and Roku — to watch shows such as *Gotham* and *Sleepy Hollow* the day after the air.

Fox says the addition of DirecTV means that more than 80 percent of pay-TV customers in the United States can access its TV Everywhere on web and mobile devices. Cable providers who also offer Fox Now authentication include Comcast Xfinity, Dish and Time Warner Cable.
